

BARIUM ENEMA PREPS:

- PEDIATRIC PATIENTS: Please follow the bowel prep instructions given by your ordering physician
- ADULT PATIENTS: Please pick up your bowl prep kit at least 2 days prior to your appointment
- Follow the kit instructions which include having a clear liquid breakfast, lunch and dinner (please remember no sugar, milk or cream)
- Please note, if you have renal disease or congestive heart failure you should not use a bowl prep kit
- Please do not consume food or drink after midnight including water, gum, candy and smoking.
- Please bring physician order when you pick up your prep
- Please note, your insurance card and photo ID will be copied and co-payment/deductible collected upon arrival.
- Please note, ostomy patients are not to be given bowel prep and please bring extra colostomy bag to appointment
- Consult your physician on medication restrictions for this test, or if you have any questions feel free to call 630.856.7070.
- Please do not bring any unattended children to this appointment.
