A Campaign Update

As this report goes to press, we are thrilled to see finishing touches being applied to the exterior of the new patient care pavilion. Striking walls of brick and glass evidence the great progress made since our construction fences first appeared last June, and we're well on our way to opening the doors to a new century of world-class health care, here in a community hospital setting. We'll have the best of both worlds, and it's all happening with your help.

We celebrated your commitment to this modernization project with a groundbreaking ceremony for the community on September 23rd, and that night launched the fundraising campaign that will sustain our new era of exceptional health care. In partnership with Adventist Hinsdale Hospital, the Hinsdale Hospital Foundation committed to raising significant funds for the hospital's largest-ever capital improvement project. Your philanthropy will help build both the new patient care pavilion at the hospital and the upcoming new cancer and outpatient center envisioned for Ogden Avenue.

We are almost halfway to reaching our goal of \$22 million, thanks to the generous support of community members like you. Longtime residents and newcomers, practicing physicians and retirees, our dedicated caregivers and staff – you have all have stepped forward to support the campaign and the exceptional health care it helps make possible. This annual report is an opportunity to thank all of you and to share the advances your generosity provides. From small caring touches to advanced technologies to new facilities, you help us continue to bring the very best care to the community.

Thank you.

Susan S. King
Executive Director

OUR CHILDHOOD HOME, OUR ALMA MATER, OUR PLACE OF WORSHIP – these are more than buildings, they are symbols of the comfort, trust, and opportunities that shape our lives. Our hope is that the new patient care center currently underway at Adventist Hinsdale Hospital similarly evokes a continuing promise – excellent care for you and for those you love.

This 2010 annual report celebrates you and all the donors whose generosity fuels the capital campaign for the new patient pavilion and also sustains the many programs, new technologies, and enhanced services that bring clinical excellence and thoughtful, personalized care to our community.

As you join us to look back over the foundation and hospital activity of the past year, we hope you take pride in the many ways your generosity made our progress and healing care possible. And as you look ahead be assured that ...

MAKO PLASTY

GIVES PATIENTS
NEW OPTIONS

Dr. Paul Trksak and his Adventist Hinsdale Hospital surgical team perform MAKOplasty partial knee replacement.

THE HINSDALE HOSPITAL FOUNDATION committed a quarter of a million dollars last year to help bring an exciting new surgical approach to the hospital's orthopedic program. This investment in new technologies was made possible by your philanthropic support, providing funding that will facilitate critical relief for many whose crippling knee pain limits their life activities.

The MAKOplasty program, with its less invasive approach, decreases recovery time and increases success rates. "The innovative use of a robotic arm for partial knee replacement allows more precise bone preparation and therefore better alignment of the prosthesis," says Dr. Paul Trksak, an orthopedic surgeon who treats patients at Adventist Hinsdale Hospital. "A small incision is made and a minimal amount of bone is removed, reducing blood loss and trauma to the knee."

Given the successful launch of the MAKOplasty program, we are pleased to announce that the same innovative approach will soon be available for those whose joint problems are hip-related.

PATIENTS WHO NEED ACUTE PHYSICAL REHABILITATION now can undergo inpatient treatment close to home – Marianjoy Rehabilitation Hospital is now on-site, managing our Adventist Hinsdale Hospital Paulson Rehabilitation Unit, a 21-bed transitional care unit for patients who require intensive therapy.

"To be able to bring this caliber of care to the community is phenomenal," said David L. Crane, president and chief executive officer of Adventist Hinsdale Hospital. "With our similar values and mission, Adventist Hinsdale Hospital and Marianjoy now can collaborate to help patients achieve their rehabilitation goals."

BECAUSE OF YOU...

WE BRING REHABILITATION CLOSE TO HOME

ACCOLADES

Accreditation acknowledges that we are following best practices in improving patient care in a given program area. To earn such certification the Hospital must demonstrate its expertise and commitment to quality patient care by meeting or exceeding a wide set of stringent criteria and successfully completing on-site evaluations by an outside expert review team. Adventist Hinsdale Hospital earned accreditations for the following centers of excellence:

- **ACCREDITED COMPREHENSIVE COMMUNITY CANCER PROGRAM** - Cancer program recognized "with commendation" by the Commission on Cancer (CoC) of the American College of Surgeons (ACoS).
- **BLUE DISTINCTION CENTER FOR CARDIAC CARE** - Designated by Blue Cross and Blue Shield of Illinois for commitment to quality care that results in better overall outcomes for cardiac patients.
- **CHEST PAIN CENTER** - accredited by the Society of Chest Pain Centers.
- **ACCREDITED BREAST CARE CENTER** - Full accreditation by the National Accreditation Program for Breast Centers (NAPBC), a program administered by the American College of Surgeons. Adventist Hinsdale Hospital is the only accredited breast center hospital in DuPage County.
- **CERTIFIED PRIMARY STROKE CENTER** - as granted by the Joint Commission on Accreditation of Healthcare Organizations. This coveted achievement, known as the "gold standard" in treatment of stroke patients, is based on the hospital's ability to provide safe, high-quality care, treatment, and services to patients experiencing strokes.
- **ADVENTIST HINSDALE HOSPITAL'S INPATIENT REHABILITATION UNIT** has been certified by the Commission on Accreditation of Rehabilitation Facilities (CARF).
- **PASTORAL CARE EDUCATION** - Our program holds full national accreditation from the Association for Clinical Pastoral Education (ACPE).

BECAUSE OF YOU...

WE GIVE
BABIES
A HEALTHY
START

“There’s that hushed, heavy quiet . . . the doctors and nurses moving quietly like angels, the hearts of the parents and grandparents in their hands.”

– John Kass
Chicago Tribune columnist

WE’VE SEEN A TREMENDOUS GROWTH in our Birck Family Women’s and Children’s Center Level III Neonatal Intensive Care Nursery (NICU), and we’ve responded with a commitment to ensure that every baby born into our care has the best possible start in life. Foundation funds in 2010 contributed to a variety of NICU programs, including staff training and educational events to support best practices like the NICU’s Developmental Care program. This program promotes an innovative, personally-tailored approach to caring for each premature infant.

The Birck Family Center, where over 3,000 babies are born every year, also includes the Maternal Fetal Medicine Center. This program for expectant mothers with high-risk pregnancies is another area where we support Adventist Hinsdale Hospital in its century-long role as a local leader in maternity care. We are grateful to the nearly one hundred caring individuals, families, and organizations whose gifts supported the Mother-Baby programs at Adventist Hinsdale Hospital in 2010.

Last October Chelsey was born at Adventist Hinsdale Hospital. Her mother received expert care from her obstetrician and caregivers during a prenatal hospitalization which helped prolong the pregnancy and allowed Chelsey a better chance at life. And when this fifteen-and-a-half-ounce miracle was born, she received more life-saving care in our hospital’s Neonatal Intensive Care Unit.

As John Kass of the *Chicago Tribune* wrote about our NICU, “There’s that hushed, heavy quiet . . . the doctors and nurses moving quietly like angels, the hearts of the parents and grandparents in their hands.”

That safe NICU haven exists in great part due to your philanthropy. You so generously supported our work as we developed the hospital’s exceptional neonatal intensive care unit. And with your continuing generosity, you are helping us secure the best caregivers, the most effective medical techniques, and the critical life-saving equipment needed by our youngest, most fragile patients. Thank you.

HINSDALE HOSPITAL FOUNDATION FINANCIALS

THE HINSDALE HOSPITAL FOUNDATION received cash gifts and pledges totaling \$2,410,000 between January 1 and December 31, 2010, including \$177,791 in gifts to Adventist St. Thomas Hospice.

During that period, the Foundation disbursed funds totaling \$770,407.

FOR NEARLY FIFTY YEARS the Hinsdale Assembly debutantes and their honor guards, their parents, and the Assembly Board have worked to advance the Hospital's role in our community. An especially important component of the Hinsdale Assembly participation is service, and each class actively contributes to this legacy of community assistance and leadership, all under the guidance of dedicated Assembly board members. We are indebted to each member, past and present, who played a role in building this noteworthy heritage.

We offer our thanks for their most recent gift which will facilitate an ideal post-surgical healing environment – the second floor Surgical Center in the new patient pavilion. As always, we are grateful for the Assembly's steadfast commitment to Adventist Hinsdale Hospital and the communities we serve.

THE HINSDALE HOSPITAL MEDICAL STAFF AUXILIARY serves to unite the hospital community, provides support to the medical staff, and acts as a positive public relations tool and vehicle for education and awareness in the community.

The auxiliary supports various events throughout the year which benefit Adventist Hinsdale Hospital. One of these, the Ice Cream Social, has been supported by the Auxiliary since 1955. Most recently, the Auxiliary formed the Junior Board whose members volunteer for the Ice Cream Social and other activities. Junior Board Members also have opportunities to learn about different medical disciplines within the hospital and some participate in hospital mission trips which bring assistance to Costa Rica and other impoverished areas in need of construction, medical, and family support.

The President's Circle

We gratefully recognize the following individuals who with leadership, compassion, and vision annually invest in the future of Adventist Hinsdale Hospital. These President's Circle members – individuals, physician practices, corporations, and non-profit organizations – are our “partners in excellence” and helped sustain outstanding healthcare in our community through gifts of \$1,500 or more during 2010. Lifetime President's Circle memberships recognize those premier partners whose cumulative giving exceeds \$100,000. We thank each of you for helping propel us to excellence for so many years.

PAULSON LEGACY SOCIETIES

*of Hinsdale Hospital Foundation &
The Adventist St. Thomas Hospice*

*All the flowers of tomorrow
are in the seeds of today.*

IT IS WITH GREAT DELIGHT THAT WE CELEBRATE the launching of the Paulson Legacy Societies, founded in mid-2010. Each Paulson Society member fashions a meaningful, lasting legacy by making estate provisions to support the work of our Hospital and Hospice.

Another worthy legacy plays out each day through the many ways Adventist Hinsdale Hospital extends the healing ministry of Christ to its patients and the community. That legacy is rooted in the compassionate health care vision doctors David and Mary Paulson embraced when they formed the Hinsdale Sanitarium and Benevolent Association in 1904. Our Hospital family sustains this vision today as we work to bring well-being and comfort to all in need of our healing care. And our Paulson Legacy Societies members ensure that this compassionate legacy endures and grows.

We thank our inaugural members for planting philanthropic seeds to meet tomorrow's health care needs.

WE WELCOME FOLLOWING INDIVIDUALS AS
INAUGURAL MEMBERS OF THE PAULSON LEGACY
SOCIETIES OF HINSDALE HOSPITAL FOUNDATION
AND ADVENTIST ST. THOMAS HOSPICE.
THEIR VISION AND GENEROSITY IN INCLUDING
ADVENTIST HINSDALE HOSPITAL OR ADVENTIST
ST. THOMAS HOSPICE IN THEIR ESTATE PLANS
WILL PLANT SEEDS TO BENEFIT FUTURE

If we've made an error or omission in honoring your generosity, please accept our apologies. You are a valued partner, and we will gladly correct our records upon notification.

ADVENTIST ST. THOMAS HOSPICE extends its deepest gratitude to all our families for the trust and confidence they place in us to provide care and comfort to their loved ones. We cherish the special relationships that are forged with our patients and their families.

We believe that providing appropriate pain and symptom control allows individuals with life limiting illness to be cared for safely and comfortably, and with dignity, by family and friends with the help and guidance of the hospice team. Our bereavement programs - tailored for every age group - bring ongoing support to our beloved community.

ADVENTIST ST. THOMAS PALLIATIVE CARE is a program we proudly began in 2010. Palliative care is designed to relieve or soothe the symptoms of a serious disease or disorder to improve a patient's quality of life and, it is important to note, is available at any stage in a serious illness, whether that illness is curable, chronic or life-threatening. It begins with the patient in the hospital and helps them transition from the hospital to other services such as health care at home or an assisted living facility. This much-anticipated service is now available to patients at Adventist Hinsdale Hospital.

THE PALLIATIVE CARE PROGRAM was made possible by the generous bequest of the late Lynn J. Coleman, who supported Adventist St. Thomas Hospice and its bereavement programs for more than 10 years. When the Westmont resident and retired Downers Grove South High School physical education teacher passed away in 2009 at age 66, her legacy of giving continued; a generous bequest of more than \$725,000 in her name will ensure the continuation of the bereavement programs she so charitably supported in her lifetime.

PALLIATIVE CARE IMPROVES PATIENT'S QUALITY OF LIFE
