Your loved one’s memory will endure through the many lives that will be touched by your generosity.

Hundreds of patients and their families rely on Adventist Hinsdale Hospital every day for world class care and its compassionate caregivers. With your help, they are transforming care and transforming lives – today and for many generations to come.

Memorial gifts help the Hospital invest in innovative technology and capital building projects, promote a healing environment throughout the Hospital, and expand community outreach and health education efforts.

You may direct your gift to any area or program of the Hospital that holds a special place in your heart or was particularly meaningful to the special person you are honoring. Or, it may be directed to the Hospital’s area of greatest need.
